# Life Jacket Waiver Form

**Parents,**

When we travel to Kings Dominion we will enjoy the water attractions. The park requires children under a certain height to wear life jackets. If your child is taller than that height, we will still require them to wear a life jacket while in the water park **UNLESS** this form is signed giving them permission to swim without one. Our main priority is to keep the children safe at all times, and since we do not know the swimming abilities of all the children, life jackets ensure their safety. If you are confident in their abilities, with your permission, they will be able to participate in the water activities without a vest.

I, \_\_\_\_\_, **DO GIVE** permission for \_\_\_\_\_ to participate in water activities at Kings Dominion **WITHOUT** a life vest. I understand that if he/she has an injury as a result of not wearing a life vest I assume all responsibilities.
